The multi award-winning ENWORKS service is already providing practical advice and ongoing support to thousands of businesses. To date it has already achieved savings of:

- ⇒ **£115 million**
- ⇒ **543,000 tonnes** of CO₂e emissions
- ⇒ **6 million m³** of water
- ⇒ **19 million tonnes** of materials
- ⇒ **320,000 tonnes** of waste diverted from landfill

Tailored for you

Our advisers will help you to reduce your energy, water and material usage, manage waste and review your production processes.

All our support is tailored to the needs of individual businesses and their potential to make savings.

We also help with: environmental legal compliance, meeting tender requirements, sustainable procurement, carbon footprinting and managing environmental risks.

It's all FREE!

- ⇒ **On-site reviews** to identify efficiency improvements
- ⇒ **Ongoing help** with implementing recommendations
- ⇒ **Bespoke software** to monitor your savings
- ⇒ **Training / networking** events at local venues
- ⇒ **Tailored information** and advice by phone, email and online

Business benefits

Reducing your energy and material costs will increase your profits and help you minimise risks of exposure to future price increases, at little or no cost.

We'll help you to:

- ⇒ Cut operating costs
- ⇒ Increase productivity
- ⇒ Reduce your environmental impact
- ⇒ Improve business reputation
- ⇒ Access new markets
- ⇒ Win contracts
- ⇒ Be more competitive.

"What impresses me most about projects such as ENWORKS is that they truly are becoming the change that's needed in the world!"

Al Gore, former US Vice President (2007)
